

Taurus 4250 Series

The ultimate choice in efficiency, safety and quality

4250 Series
25 Gauge
1 3/4" Sections

Shown with Ranch design and Prairie windows

Safety, Convenience, Quality

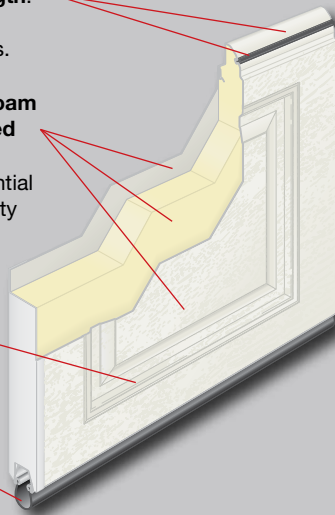

The Hörmann Taurus 4250 stands out from the rest, with premium quality craftsmanship, highly effective insulation, and Hörmann's exclusive standard safety features. The virtually no-maintenance Taurus 4250 comes with superior polyurethane insulation that gives your door an **R-Value of 16.1**. Choose from a range of options to complement the beauty and value of your home.

Deep tongue and groove section joint contribute to the door's **excellent strength**. Intermediate seals prevent air infiltration, which enhances the **insulation** properties.

Environmentally friendly **polyurethane foam core** is enclosed by **25 gauge galvanized steel** on the inside and outside. This provides maximum insulation for substantial energy savings and ultimate panel stability for exceptionally quiet door operation.

Well defined panel embossments, easy to clean woodgrain texture, galvanized and **finish painted steel** provide years of trouble-free performance and beauty.

The bottom weather seal **keeps out wind, rain, debris and other elements** for added energy savings.
